June Chapter Meeting Report

We got together online via zoom on June 30th. 13 chapter members were telepresent. We unanimously elected our new chapter officers:

Nathan Cook – president

Nick Litterski – vice president

Charles Ball – secretary/treasurer

After considered discussion we chose Ricki Klos to get our chapter’s vote for Regional Vice President.

We thank Joe Dunn for his long (long, long, long) service as our chapter’s Treasurer. Nathan and Charles have moved our chapter’s bank account to the University Federal Credit Union.

Thank you Stephen Cinti for your service. May your new venture in Alaska prosper you and your wife. We will miss you.

Ricki Klos, RVP

Greg Caparis reported from Council that Rick Klos has been elected our new RVP. Congratulations, Ricki!

2021 PTG Annual Convention

The annual convention is now history. Greg Caparis reports “the conference has been unbelievable.” We look forward to hearing Greg’s report.

Future Chapter Meetings

Given the recent Stage-5 recommendations from Travis County/City of Austin, the hope of organizing an in-person chapter meeting is now postponed indefinitely. Let’s get another Zoom meeting going in September. Cheers to all. Stay safe, be happy.
