September Chapter Meeting

Let's Zoom together Monday, September 27th at 7:30 pm.

The first 30 minutes or so will be an official business meeting. Meeting agenda will be announced.

Greg Caparis will report on his experience at the PTG annual convention and council meeting last month.

Ricki Klos, RPT, CTE, RVP, (if that's enough letters after someone's name...), our newly minted Madam Regional Vice President will update us on what's going on with the PTG council and board.

For a technical program, Ricki has agreed to give us a talk on the tuning exam, the master tuned piano, and any tricks and tips that could help those of us who aspire to passing the exam.

The link for the zoom meeting will be sent out by Sunday 9/26.
